Insurance & Reinsurance

Comprehensive and Sophisticated Services

Conroy Simberg has been proudly serving the insurance industry for more than 45 years. As one of the largest insurance defense firms in Florida, our attorneys are focused on meeting the diverse needs of insurance companies. Our familiarity with the complex challenges that insurers face in an increasingly competitive industry help us successfully protect their assets and limit their liabilities.

Through our long involvement working with the insurance carriers, Conroy Simberg has established a thorough knowledge of insurance laws and industry practices and procedures. Our wealth of experience enables our firm to offer comprehensive insurance coverage and defense services, including:

- Evaluating insurance coverage issues and rendering coverage opinions
- Analyzing and advising on insurance policy forms and endorsements
- Developing resolution strategies and negotiating settlements
- Litigating, arbitrating, and mediating insurance and reinsurance matters
- Advising and representing clients in bad faith and extra-contractual liability claims

Diverse Matters

The attorneys at Conroy Simberg have extensive experience advising and defending insurers in actions involving all types of insurance products, ranging from automobile and general liability and casualty policies to professional liability and directors and officers' coverage. We understand the terms and conditions underlying all varieties of insurance and reinsurance contracts and are skilled in evaluating complex coverage issues.

In every matter that we handle, our attorneys concentrate on developing strategies and approaches that help our clients reach a successful resolution. Collaboration is the key to successfully defending a claim. Therefore, we work side by side with every client, keeping them apprised of all developments in their case.

Favorable Results

Our firm is widely known throughout the insurance industry for the favorable results that we achieve for our clients. When working with insurers, our attorneys fully investigate and evaluate claims to deliver practical and strategic advice. We provide our clients with a complete picture of the pros and cons associated with each available option and remedy so that they can make the best decision regarding their case.

Litigating a case can be an expensive and unpredictable proposition. While we strive to reach pre-trial resolutions and settlements, our attorneys are skilled litigators with the training and experience necessary to try even the most complex cases to conclusion. Our attorneys litigate cases before all state and federal courts in Florida, and the Eleventh Circuit Court of Appeals.

Conroy Simberg is committed to achieving the results that our insurance industry clients have come to expect and deserve. Our attorneys provide proactive counsel and are responsive to the concerns of our clients as they arise and change. At all times our goal is to understand the particular goals and objectives of our clients so that we can provide them with the advice and representation they need to resolve difficult and challenging legal issues.
