

Personal Injury Protection Insurance

Experienced PIP Defense Lawyers

Conroy Simberg is extensively involved in the defense of Personal Injury Protection (PIP) claims in all trial and appellate courts in Florida and Georgia. The attorneys at our firm have decades of experience investigating personal injury protection claims and aggressively representing insurance carriers involved in PIP litigation.

PIP can be a particularly challenging area of the law for insurance carriers. We regularly monitor new and emerging issues in the field and work closely with our clients to ensure that they are fully aware of all legal developments in this evolving legal landscape. Our firm is at the forefront of this specialized area of the law and we are proud of our strong reputation for delivering proactive and highly skilled PIP legal representation to our insurance industry clients.

Investigating and Evaluating PIP Claims

When handling PIP claims, our attorneys work with insurance carriers to evaluate whether the claims presented for PIP benefits and medical payments are covered under the terms and conditions of the insurance policy. The legal professionals at Conroy Simberg have more than 40 years of experience working in the field of insurance law and are skilled in interpreting personal and commercial automobile policies. Our attorneys also carefully analyze claims to determine whether the medical expenses and treatments incurred were reasonable, necessary and related to the accident.

At Conroy Simberg we know that it is important to resolve claims as quickly and economically as possible. The legal professionals in our PIP practice are committed to becoming actively involved at the earliest stages of an investigation. Our attorneys take examinations under oath of claimants and witnesses and provide comprehensive reports for our clients. We also conduct extensive research to identify all documents, medical reports and evidence necessary to thoroughly investigate the claim and develop a plan of action.

In far too many instances, PIP claims involve [insurance fraud](#) or misrepresentation on the part of the claimant. When fraud is suspected, we work directly with our clients to aggressively investigate and uncover any fraud or misrepresentation. Our insurance defense attorneys are skilled in identifying fraud and are widely recognized throughout the insurance industry for their ability to deliver skilled representation to clients dealing with fraudulent claims.

Resolving PIP Claims Efficiently and Cost-Effectively

We provide clients with an early evaluation of their claims and work to develop strategies aimed at bringing their case to a swift conclusion. When necessary, our attorneys concentrate on settling claims as efficiently and cost-effectively as possible.

Our legal team strives to avoid lengthy litigation by negotiating resolutions and settlements whenever possible. When a claim cannot be resolved and litigation becomes necessary, our lawyers are prepared to aggressively represent clients at all stages of the litigation process. The insurance defense attorneys at our firm are seasoned trial and appellate attorneys with years of experience representing clients at all levels of the federal and state trial court systems.

Since our inception in 1979, Conroy Simberg has emerged as a leader in providing comprehensive representation to members of the insurance industry. Our firm uses a team approach, working with insurance carriers to develop innovative defense tactics and strategies that best protect our clients' legal rights and financial interests.
