---

Andy is a member of the firm’s General Liability practice defending a broad range of matters ranging from automobile accidents, negligent security, animal liability, products liability, and premises liability. He joined Conroy Simberg after working in house for two different carriers for seven years in Georgia and Florida. Before going in house, he worked for an insurance defense firm defending matters across Georgia and Alabama. Shortly after graduating Cumberland School of Law at Samford University, Andy was an Assistant District Attorney in Dothan, Alabama where he tried a variety of cases, including capital murder.
